

## COMENIUS – 2nd CONFERENCE IN HERFORD

From the 9<sup>th</sup> to 13<sup>th</sup> of march we went to Herford (Germany): it was a wonderful experience.

The first day, when we arrived, we went out with our hosts.

The day after we went on a trip to Essen; during this trip we visited Stifting Zollverein and Ruhr Museum, that are part of Unesco.

The third day we started going to school: here we had a lot of activities like photography lesson and a ride around the school. After that we went to the supermarket and then we went back home and strated coking a typical German dinner.

The last day, in the morning we presented the other people what we had cooked and we saw the photos of others groups; after that we went to District Office and we met the Mayor of Herford .

In the afternoon we went shopping with our hosts and for the last night we went to play bowling and we ate in Mexican restaurant.

This experience was very useful because we had the opportunity to improve our English and meet other people.
