## Herford Final Conference May 17 to 21 2014 Communique

### Participants

Lycée Sainte Cécile – Albi – France

Wilhelm-Normann-Berufskolleg – Herford – Germany

IIS “Cesaris” – Casalpusterlengo – Italy

The following is the summary of agreements reached during the conference held in Herford, Germany from 17<sup>th</sup> to 21<sup>st</sup> May 2014.

### Summary

All the tasks on which the partners agreed during the previous conference in Albi, France have been fulfilled.

The topic of the conference was to finalize the students' magazine, to publish this online and in print. The results were presented to the mayor of Herford and at school.

### Agreements

The results of the conference will be published on the schools' websites and in the local papers.

A future project under Erasmus + will be planned. The general idea for this is “recycling” with the following subtopics:

Environment

Politics and history

Art

Energy generating

Over-consumption

A Recycling plant can be visited as well as a biomass plant.
